## LUTTA COLLECTION

DESIGN BY ADAM STOVER AND  
FELICIA BALESTRE

The Lutta Collection designed by Adam Stover and Felicia Balestrere unfolds a series of lines and angles which create a striking aesthetic that is engaging yet understated. Lutta brings about the true definition of a table through an iconic form for gathering, connecting and sharing information.

The collection consists of a series of communal and occasional tables which are available in a myriad of sizes, shapes and finishes.
